**Cordova Psychiatric Associates**  
**Office Policies and Financial Responsibility Agreement**

- ❖ **Please read this carefully** and feel free to ask questions regarding any of the following. Your signature indicates your consent and agreement to these conditions.
- ❖ **Copayments** are required in full prior to services rendered. Your appointment will be rescheduled if you are not able to provide payment.
  - We accept Visa, MasterCard, Discover, or cash. We **do not** accept checks or American Express.
- ❖ **Our office will charge a \$75.00 fee for “No-show” appointments or for appointments canceled without 24 hours of notice.**
  - **Email and text reminders are a courtesy provided by the office, however the patient is still responsible for keeping the appointment or the “no-show” fee will apply.**
- ❖ If you are more than 10 minutes late to your appointment, our office will reschedule you to the next available appointment time.
- ❖ The following policies regarding **prescription refills** will be strictly enforced:
  - **24 HR NOTICE IS REQUIRED. REFILLS MAY NOT BE DONE THE SAME DAY.**
  - **Requests for refills due to no-show appointments, cancelled appointments, or lost/stolen prescriptions will be subject to a \$75.00 charge.** This charge is not covered by your insurance company. Payment is due upon receiving the prescription refills.
  - No request is guaranteed.
- ❖ Office hours are Monday through Thursday from 8:00am till 4:30pm and Friday 8:00am till 2:00pm. The office closes daily for lunch from 12:00pm till 1:00pm. We are closed on all major holidays and Saturday & Sunday.
- ❖ All voice mail messages left after 3:00pm will be returned the next business day.
- ❖ This office is solely an outpatient practice. If you have a medical emergency please go to the nearest emergency room. If you need to be seen or admitted for mental health concerns after hours, please contact Lakeside Behavioral Health, Parkwood, St. Francis Hospital, or Delta Medical Center.
- ❖ As a courtesy to our patients, our office will file insurance claims for you. Please know that benefits quoted by your insurance company are not a guarantee of coverage or payment.
  - Any charges not paid by your insurance company, within 90 days of the service date, are the **responsibility of the patient.**
  - **You are responsible** for providing our office with all insurance information, knowing the terms and limits of your insurance coverage, and informing the front office staff of any changes with your insurance coverage.
- ❖ There is a fee of \$25.00 for completing any type of **forms or written correspondence.**
  - This charge is not reimbursed by your insurance company and is **due prior to** the completion of the forms or letter.
  - Please allow a minimum of one week for completion of these materials.
  - You must be an established patient who has been seen in the past 12 months and has been seen more than once.
  - Our office **DOES NOT** initiate paperwork to establish or continue disability. If you choose to file for disability, you will be referred to another provider and your care here may be terminated.
- ❖ Please refrain from using your cell phone in the lobby out of respect for other patients.
- ❖ Please leave all food and drinks (except water) in your car; we do not allow them in the office.
- ❖ No pets allowed in the office.

Having read the foregoing information fully and completely, I have discussed any questions I had about this information with the staff at Cordova Psychiatric Associates, and I understand my financial responsibility and the office policies. Failure to comply with these policies will result in having to postpone any appointments until I can fulfill my responsibilities. I also acknowledge that Mark Hesselrode, APN; Christy Bruno, DNP; and Richard Sykes, APN are psychiatric nurse practitioners and that I have received or declined a copy of the “Notice of Privacy Practices” in accordance with HIPAA requirements.

### MOOD DISORDER QUESTIONNAIRE (MDQ)

Has there ever been a period of time when you were not your usual self and...	YES	NO
...you felt so good or so hyper that other people thought you were not yourself or you were so hyper that you got in to trouble?	<input type="checkbox"/>	<input type="checkbox"/>
...you were so irritable that you shouted at people or started fights or arguments?	<input type="checkbox"/>	<input type="checkbox"/>
...you felt much more self-confident than usual?	<input type="checkbox"/>	<input type="checkbox"/>
...you got much less sleep than usual and found you didn't really miss it?	<input type="checkbox"/>	<input type="checkbox"/>
...you were much more talkative or spoke much faster than usual?	<input type="checkbox"/>	<input type="checkbox"/>
...thoughts raced through your head or you couldn't slow your mind down?	<input type="checkbox"/>	<input type="checkbox"/>
...you were so easily distracted by things around you that you had trouble concentrating or staying on track?	<input type="checkbox"/>	<input type="checkbox"/>
...you had much more energy than usual?	<input type="checkbox"/>	<input type="checkbox"/>
...you were much more active or did many more things than usual?	<input type="checkbox"/>	<input type="checkbox"/>
...you were much more social or outgoing than usual, for example, you telephoned friends in the middle of the night?	<input type="checkbox"/>	<input type="checkbox"/>
...you were much more interested in sex than usual?	<input type="checkbox"/>	<input type="checkbox"/>
...you did things that were unusual for you or that other people might have thought were excessive, foolish, or risky?	<input type="checkbox"/>	<input type="checkbox"/>
...spending money got you or your family into trouble?	<input type="checkbox"/>	<input type="checkbox"/>

If you checked YES to more than one of the above, have several of these ever happened during the same period of time?

How much of a problem did any of these cause you – like being unable to work; having family, money or legal troubles; getting into arguments or fights?

*Please circle one response only:*

No Problem     
  Minor Problem     
  Moderate Problem     
  Serious Problem

Have any of your blood relatives (ie, children, siblings, parents, grandparents, aunts, uncles) had manic-depressive illness or bipolar disorder?

Has a health professional ever told you that you have manic-depressive illness or bipolar disorder?

# Adult Self-Report Scale (ASRS) Symptom Checklist

Patient Name

Today's Date

Please answer the questions below, rating yourself on each of the criteria shown using the scale on the right side of the page. As you answer each question, circle the correct number that best describes how you have felt and conducted yourself over the past 6 months. Please give this completed checklist to your healthcare professional to discuss during today's appointment.

	Never	Rarely	Sometimes	Often	Very Often	Score
1. How often do you make careless mistakes when you have to work on a boring or difficult project?	0	1	2	3	4	
2. How often do you have difficulty keeping your attention when you are doing boring or repetitive work?	0	1	2	3	4	
3. How often do you have difficulty concentrating on what people say to you, even when they are speaking to you directly?	0	1	2	3	4	
4. How often do you have trouble wrapping up the final details of a project, once the challenging parts have been done?	0	1	2	3	4	
5. How often do you have difficulty getting things in order when you have to do a task that requires organization?	0	1	2	3	4	
6. When you have a task that requires a lot of thought, how often do you avoid or delay getting started?	0	1	2	3	4	
7. How often do you misplace or have difficulty finding things at home or at work?	0	1	2	3	4	
8. How often are you distracted by activity or noise around you?	0	1	2	3	4	
9. How often do you have problems remembering appointments or obligations?	0	1	2	3	4	
<b>Part A - Total</b>						
10. How often do you fidget or squirm with your hands or feet when you have to sit down for a long time?	0	1	2	3	4	
11. How often do you leave your seat in meetings or other situations in which you are expected to remain seated?	0	1	2	3	4	
12. How often do you feel restless or fidgety?	0	1	2	3	4	
13. How often do you have difficulty unwinding and relaxing when you have time to yourself?	0	1	2	3	4	
14. How often do you feel overly active and compelled to do things, like you were driven by a motor?	0	1	2	3	4	
15. How often do you find yourself talking too much when you are in social situations?	0	1	2	3	4	
16. When you're in a conversation, how often do you find yourself finishing the sentences of the people you are talking to, before they can finish them themselves?	0	1	2	3	4	
17. How often do you have difficulty waiting your turn in situations when turn taking is required?	0	1	2	3	4	
18. How often do you interrupt others when they are busy?	0	1	2	3	4	
<b>Part B - Total</b>
